

Suction Equipment W6510/6520 Series Strainers

W6510/6520 series Cylindrical Strainers and Low Level Slipper Strainers

Outlets: 3" (75mm)
4" (100mm)
5½" (140mm)

Female BSRT (BS336:2010)
Fixed on Cylindrical strainers
Swivel on Slipper strainers

Available in Light Alloy and Gunmetal
Manufactured in the UK to BS336:2010

Outlet Diameter A (inch & mm)	Cylinder Strainer Part No.	Length B (mm)	Base Diameter C (mm)	Slipper Strainer Part No.	Length B (mm)
3" (75mm)	W651003F	250	120	W652021	390
4" (100mm)	W651005F	320	140	W652023	390
5½" (140mm)	W651007F	450	183	W652025	390

Strainer Baskets and Skirts

Wicker basket strainers with rot-proof, canvas skirts and polyethylene rope ties are available for all sizes of cylindrical strainer.

Retrieval cords (10m x 10mm) can be supplied as an optional extra. These are heat sealed at one end and feature a galvanised thimble hard splice at the other end.

Other lengths and splicing materials are available.
